Dear Friend,

DONATION LETTER

Thank you for considering Calvary Worship Center (CWC) as an organization worthy of your financial support in the acquisition of our church building.

CWC is a vibrant multi-cultural congregation that strive to win the unchurched to Christ and then perfect them through solid Bible-based teachings. In addition, CWC has been involved in the Brampton-Mississauga communities in assisting unwed mothers with needed supplies for their babies and supporting the needy with breakfast and clothing supplies; and internationally by supplying gifts to needy children, fighting against child trafficking and providing clean water to hard pressed regions around the world.

CWC will continue its partnership in these projects and will be adding services such as addiction counselling to its spiritual ministry vision. We are grateful for your support in realizing our objectives. For more information on the services we provide and our community outreaches, please visit our website at www.calvaryworshipcentre.net.

You may donate by going on our website at www.calvaryworshipcentre.net for secure PayPal payment. CWC will provide you with a charitable donation receipt for tax purposes for amounts in excess of \$10.00.

Sincerely in Christ,

Richard Rupnarain
